The screenshot shows the login interface for the Chaoyang University of Technology campus wireless network. At the top, the university's logo and name are displayed in both Chinese and English, along with the title '校園無線網路認證' (Campus Wireless Network Authentication). Below this, there is a section for '無線網路使用者登入' (Wireless Network User Login) and 'REGISTERED USER'. It includes input fields for '帳號 / User Name' and '密碼 / Password', both of which are highlighted with red rectangles. A '登入' (Login) button is positioned below these fields. To the right of the login form, a blue box contains a welcome message in Chinese and English, followed by instructions to use network services after authentication. At the bottom of this box, contact information for the Network Support Section is provided, including a phone number (3193) and an extension (3193).
